

Announcement & Invitation the 35th AUAP Annual Conference, May 13, 2022

(09:00 am.-13:00 pm. Romanian Time)

The Secretariat is Please to announce that the Association of Universities of Asia and the Pacific (AUAP) in collaboration with Danubius University of Galați, Romania will organize the 35th AUAP Annual Conference with the theme “Higher education challenges in the post-Covid19 world”. It will be held on 13th May 2022, at 09:00 am-13:00 pm., Romanian time. by Danubius University, free of charge. AUAP and Non- AUAP Members are welcome to join this event.

Higher Education Institutions (HEIs) are continuously in pursuit of new ways to improve curriculum, methods of teaching, increase sustainable research collaborations and beneficial extension activities. Through the partnership of the academe and industry we have raised the bar of higher education in this part of the world and probably increased it a notch more to pose more innovations that might not be at par with First-World countries yet but equally notable.

This event aims to bring academicians, researchers and industry practitioners to share experiences for the improvement of Higher Education and collaboratively draw the master plan to redefine its future.

On behalf of the AUAP, I have the honor of inviting you to the said conference.

We look forward to more collaborations with people from different areas and provide insights through this conference that would help you and your institution.
